### Dancing with the Stars... sort of!

Joining us in the fall are Bernadette and Frank Pickett, well-known ballroom dance instructors from the Port Huron area! Bernadette and Frank have decided to make HPAC their new home and will be teaching the Waltz, Fox Trot, Swing and ChaCha to anyone that has always wanted to glide across the dance floor like Fred & Ginger. Classes run an hour and a half and are \$150.00 per couple for a four-week session. They enjoy working with the young and old alike, wedding parties, prom couples and anyone with two left feet! Private lessons are also available for those of us who need the extra help. Bernadette and Frank have been dancing together for more than 20 years. Their friendly demeanor and ability to teach dance have earned them rave reviews from many of their students. We are so excited to welcome them to our HPAC family!

Congratulations Starlite of the Month
