Starlites Attend Technique Camp

The Starlites Competitive Dance Teams just completed a two-day private dance technique camp here at HPAC. The girls worked hard learning new skills as well as working hard on perfecting their ballet/dance techniques in preparation for the upcoming competitive season. They also began a stretching and conditioning program that will be used to start each day of practice. The girls did a GREAT job and had lots of fun in the process!

“I Love a Parade”

The Starlites Competitive Dance Teams are preparing for the upcoming parade season. The Starlites, along with the HPAC Hurricanes Competitive Gymnastics Team, will be marching in the Blue Water Parade in downtown Port Huron. The parade is scheduled for Wednesday, July 18th at 6:00 pm. The starting point will be Military and Court Street with the route continuing through the downtown area, ending at the Glenwood entrance to St. Clair County Community College. Hope everyone can come on out and support our competitive gymnastics and dance teams!

Congratulations Starlite of the Month
