OCTOBER - NOVEMBER – DECEMBER 2007 HURRICANES NEWSLETTER

GOBBLING – GOOD CUPCAKES RECIPE INGREDIENTS:

- 24 frosted cupcakes
- 24 Nutter Butter cookies
- 2-3 tablespoons of white frosting or decorator's gel
- Mini chocolate chips
- Fruit leather, various flavors and colors
- toothpicks

1. To make each turkey, press the lower portion of a Nutter Butter cookie into a frosted cupcake for the bird's head.
2. Use tiny dabs of frosting to stick on mini-chocolate chip eyes and a red fruit leather wattle.
3. For each turkey's tail, use a butter knife to cut out a dozen feather shapes (about 3 inches long and 1 inch wide) from fruit leather.
4. Lay 6 of the feather shapes on a flat surface and place a wooden toothpick lengthwise atop each so that one end of the toothpick extends about an inch below the feather. Layer another fruit leather feather layer atop each of the 6 shapes, sandwiching the toothpicks between them.
5. Press the 2 layers together to make them stick, then fringe the edges of the feather with a butter knife. Now your child can stick the colored feathers into the cupcake behind the cookie head.

GYMNAST OF THE MONTH: SKYLER GOODMAN – Skyler Goodman is 6 years old and is currently on our Pre 4 Team. She just got her round-off back handspring and has been working very hard to master all other skills necessary for Level 4. Keep up the good work Sky-Sky!
